Legal Disclaimer & Advisory

Disclaimer: Quantum Lux Rentals LLC outsources its safari desert adventures to a third-party tour company with experienced local operators. We are not liable for any injuries or damages that may occur during these activities, including those involving 4x4 vehicles, quad bikes, or sandboards.

Important Note: If you have any food allergies or heart conditions, please inform us prior to booking. We will communicate this information to the tour operator to ensure appropriate accommodations can be made.

Advisory:

Age Restrictions: The desert safari is an adventure activity and is not recommended for children under 3 years, pregnant women, or older adults, especially those with back problems. However, we can arrange a private car to take you directly to the camp if you prefer to enjoy other activities there. We also have car seats available for children.

Safety: Our drivers are professional and licensed, trained in first aid. Our vehicles are equipped with roll cages and seat belts for passenger safety. We use 4x4 Land Cruisers for our safaris. All our vehicles and passengers are covered by insurance.

Must-Do's:

Photography: Don't forget to bring a camera to capture the breathtaking desert views.

Attire: Wear comfortable clothing and avoid jewelry, expensive watches, or cell phones (there's no signal at the camps).

Local Experience: Try Arabic coffee and enjoy the belly dancing performance.

Adventure Activities:

Camel Trekking: Enjoy a peaceful camel trek as the sun sets, followed by drinks and dinner at the camp.

Quad Bikes and Dune Buggies: Choose from two types of quad bikes: 350cc for adults and 150cc for children. Quad bikes are restricted to designated areas outside the camp for safety reasons. Dune buggies can seat two people and can be driven in the desert with our instructor leading the convoy.

Sandboarding: this is a popular activity in the Dubai desert, offering an exhilarating way to experience the stunning dunes. With towering sand mountains and soft, powdery sand, the desert provides the perfect conditions for this thrilling sport.

Please note: You will be provided with safety gear and instructions for all adventure activities.

Tanura Dance:

A Tanura dance is a captivating and energetic performance originating from the Middle East. It features a dancer spinning rapidly while holding a long, flowing skirt, often adorned with vibrant colors and intricate designs. The dancer's movements are graceful and rhythmic, creating a mesmerizing spectacle.

The Tanura dance is known for its technical skill and the dancer's ability to maintain control of the skirt while spinning at high speeds. It is often accompanied by traditional Middle Eastern music, adding to the allure of the performance.
